

Review of Economics and Political Science

Open Call for Papers

Review of Economics and Political Science (REPS) is now accepting papers for its 2018 volume, which shall be published Open Access by Emerald Group Publishing and will be featured on the Emerald Publishing Services platform.

Journal Aims and Scope:

REPS covers the fields of economics, political science and statistics and public administration with a particular focus on Egypt and the Middle East. Manuscripts that cover other regions may also be accepted. Manuscripts that use quantitative, statistical and social science computing models are given special emphasis

For more information on the journal, please visit the [journal homepage](#)

Benefits of Submitting to this Journal:

- Wide visibility of the research published: All articles will be published and made freely available – using the Open Access CC-BY 4.0 Creative Commons Attribution licence
- Fast publication: Once accepted, individual articles are typeset, proofed and published online as the Version of Record within an average of 32 days Great discoverability: Articles published in the Journal are given global visibility and accessibility via <http://www.emeraldinsight.com>- an industry leading research platform with enhanced search and discoverability through enriched metadata and search engine optimization

Submission Procedure:

To submit your new paper for review, please submit your full article through Emerald's Scholar One submission system here: <https://mc.manuscriptcentral.com/reps>

Before submitting your article, please read the aims and scope of the journal to ensure your article is suitable and visit the author guidelines for the journal at

<http://www.emeraldgroupublishing.com/services/publishing/reps/authors.htm>

Articles will only be considered for publication if they have followed the author guidelines.

Contacts:
